“ Ann was a wonderful friend to me when I joined BPW in Brookfield many year's ago. I also remember buying flowers from her and the beautiful arrangements she always provided. She was such a sweet person and and a great friend.

“ Ann was a dear friend and worked for us part-time at The Flower Shoppe after she retired. She would come into the shop and visit and share a cup of coffee. She was always working on an afghan to give to someone and she will be sadly missed! What a great person!

“ I had been searching for Anna and Marie for years but lost track of them. They used to give me all their hand-me-downs which I wore proudly. I tried to find Anna and had been searching for Marie for years. I didn't know she had passed away. I had tried the phone number in my book and found that she had moved. I tried the post office for the forwarding address but never could get it. I searched Google for Marie and found Anna's obituary. I'm sorry I missed the old friends that played kick-the-can with me on Oakland every evening when we were young. You gave me my nickname.

Rest in peace old friends.
