“ There are not words to express how very sorry I am for the loss of Jerod. He was truly a one of a kind person who lit up the room when he'd walk in smiling with those big dimples. May you all find peace in your hearts and souls.

“ "Those we love don't go away, They walk beside us every day, unseen, unheard, but always near, still loved, still missed and very dear. "Death leaves a heartache no one can heal, love leaves a memory no one can steel. My deepest sympathy to your family. You all are in my prayers.

“ To my cousin, my brother, most of all my friend. You were the single greatest person I have ever met in my life. Jerod made the impossible possible. Jerod was my inspiration, and my idol. When I was with him I truly had no fear only courage. Jerod was the voice in my head that told me I could even when I couldn't. I Love him more than anyone besides our family could ever understand. I have lost my brother, and a light has gone out in the world. I will not be able to pay my respects properly as any man should, because I am here in a cell, because of me, and only me. I would like to apologize to my family, and friends. Most of all to Rogenia, and Jeff, and JJ I should be there, but I'm not. The only thing that could ever stop me has, but in a different way. Drugs put me in this cage I am in, and I can admit that. Drugs unfortunately took something from me that I can never get back. Let this be a lesson to everyone reading this. Consider yourself lucky, because this day is burned into my heart, memory, and soul, but for all the wrong reason. Jerod "JEEZY" Glasgow I LOVE YOU! Even though it's hard I promise to you, and your son Damman that I will become a better man. Thank You for the memories, laughs, and protection. I can't wait to see you again which will be a GLORIOUS day in HEAVEN. I LOVE YOU "G" ALWAYS, and FOREVER FLASH "MONEY" R.I.P.

“ Jerod it is very hard to say goodbye to someone you care about and throughout the years watching you grow up and all of your accomplishments-my heart breaks for your son and for your family and friends. Missing your smile and laughter and praying for the strength to help your uncle through this. He loved you very much and it is hard for him as for so many others. Thinking of you. You will not be forgotten.
