“ I surely wished I'd gone back to see everyone, it's just been so long. The last time we were there is in 78 when we just lived across the way in Springfield, Illinois at the time, not too far. You are with all of our family in the heavens above now...Let peace and love surround your closest kin and be with you.

I love you aunt Gayle. You were always included in the many treasured moments and fond memories and true childhood stories, not myths lol. I do miss sitting down visiting and sharing family history. Absolutely the best of times when my Grandpa Earl., that's Earl Guy Butrick, that married Leona Lee Hahn when she was only 15 and he was 19... she lived across the tracks...they had 5 children, my mom was the eldest then Linda, George, William and Robin. We would get to talking and grandpa would be telling them, my grandpa and I were very close he was my mama Noma's daddy. And sure Grandma Lee would get to talking too. Aunt Linda shared some and my uncles too. Especially my uncle Bill shared fond family fun and memories times about his youth and when he'd go back to visit the family. Great memories shared always.
