“ *We had such a wonderful time when we last spent time in Brookfield. Blaire, my now 20 year old daughter, and I thoroughly enjoyed our stay with Augusta just a few years ago on our trip to Colorado. Augusta was so gracious to us. One of my favorite pictures of Blaire's childhood is her sleeping in Augusta's guest bedroom upstairs, now mid-morning with the bright sun high in the window, completely conked out from the travel. We will miss her. Rest in peace Augusta.* ”

“ *Coming into the family 58 years ago 1956 was the year I worked at Linn County Child welfare. I met Augusta's mother and father Theresa and Clarence Sheen. Theresa was a beautiful and gracious lady. I loved being with her and learning from her. Clarence came to see us when we lived in CA. I watched what a wonderful caretaker Augusta was to Aunt Pauline. She was gracious and so giving to us. We visited when we could and have many fond memories through the years. Several years ago we send Augusta an amaryllis for Christmas. She had so much joy from it. I tried with no success to find one this time. I know she is smiling at us from Heaven. Love and prayers for your family.* ”
