“ I met Beverly when her Mother Ruth was a resident at McLarney Manor her devotion and love for her Mother was an example we all should strive for. Beverly remained a friend and always had a ready smile and was concerned about others. She was a Christian not only in belief but also her actions.

“ *Bev was such a nice person, a good friend and a sincere Christian. I grew up in the EUB Church where my Mother played the organ and I sang in the Choir. I have a lot of great memories of all of the special people in that Church.*
