“*RIP Brad. That's all we want for you. Peace for your family, friends, other loved ones and beloved pets. I am glad my brother, Dan Murphy, and your other friends at Horace Mann Grade School got to spend time with you and have you for a friend. My daughter Jennie works in a restaurant. Until she did I never knew how challenging and stressful that can be on everyone-especially the chefs. I am glad we got to have your beautiful family as next door neighbors for the time in Oak Park, IL. The Grossmans and the Murphy families (both sides of your home) will be thinking of you and your loved ones. Karen Doherty-still in Oak Park!*”

“*Brad and I were next door neighbors. We basically lived at Ridgeland Commons skating rink. We loved playing hockey and then even free skating not returning home till evening sometime. We had lots of laughs and would listen to his brothers playing music on the 3rd floor of his house. RIP Brad we will miss you my old friend.*”
