“ I came to know Brenda through her sister and my best friend in the whole world Sandy Bushery. We texted frequently and I came to love her as a friend and my connection to Sandy. I will miss her dearly as she was a bright spot in my day.

“ Brenda was a very good person. Her and her family took me in as if I was part of the family. It's hard for me because I haven't made it to see her. She will be very missed by many people. Rest in peace Brenda.
