“ To: Sherrie Gary and Larry and families, Carl was a dear friend to my Mother and myself. He and Mother grew up together in the New Boston area and remembered their youth when they would meet. May God Bless you all, I know you have many wonderful memories of Carl. Larry Vobornik

“ My prayers are with all of the Sattman family. James will surely meet him at heaven's door. James and Larry always had a lot of stories to tell when they were teen-agers. I always liked the one about Carl's new car. Carl will be sadly missed.

“ Some good memories were shared between our homes as kids as Sherry & I were classmates, neighbors and best friends. I'm sure Carl & Willidean and my folks got tired of our silliness - but we had fun. My sympathy goes out to all of the family. Cherish your memories as they are precious.
