“ Oh I am so sorry to hear of Carla's passing. I had lost contact with her. She rode the Oats bus with me and she was the hit of the ride. Always singing, laughing and just being there. I am glad she is no longer suffering. Fly high Carla and RIP

“ My Aunt Carla. Carla was the kind of person to go all out for something..she once made an outfit for me to wear for a school function. She was such a natural at it that it was not a struggle at all She put things together effortlessly.And it stood out above the rest.. I will remember her laugh as she was spunky and loved to laugh. She was a unique person with style. Goodbye to you. I will miss you here on earth but happy for you to be reunited with all the rest of the family. See you later.
