“ *Evelyn and Pauline have been corresponding for years. Pauline will surely be missed. We will remember her for many Missouri memories. Leaving her house you had to turn your car "slouchwise". Everytime I go over a curb at an angle I think of Pauline. She always seemed to have perfect hair. It wasn't affected by wind. She loved to play cards and really enjoyed getting jokes sent to her. (Even if some of them made her blush.) I remember her card with the pictures of Pride and Joy.*
