“ I first met David when I was about 12 yrs old. He quickly became a second father to me. Over the last 30 yrs we have shared many memories. From coast trips to Vegas. One of my favorite memories was when he took me to my first Rock concert (Aerosmith). He was always a blast to hang out with. Life and happiness poured out of him and it was infectious. I'll never forget him. Love you, Dad.

“ Last Christmas (2021) Dad and I spent Christmas camping in Big Sur. We had an amazing time. I made all his favorite foods. We listened to the rain pouring down. When the rain finally stopped we took walks around the campground. I made him a campfire and he sat there enjoying the scenery. Best Christmas ever.

Love you dad.
