“ I grew up best of friends with Dave's daughter Dana Smith, and spent so much time at the Cowen residence. I have so many fond memories of him. He was such a jokester. His smile and his laugh is still with me. I remember him singing all the time .. very LOUD too! Hank Williams!! He was a wonderful husband, father, step-father and such a great provider for his family. Dave Cowen was a great man. May he rest in peace.

“ Our deepest condolences for family and friends. Dave was a real character. He always had an interesting joke or story to tell, you just never really knew what he would say. But below his rough and tough exterior was a genuinely good man. He will be greatly missed by everyone.

“ Twenty seven years ago I met Dave. I was a single mom with two kids when this man with long red hair and tattoos came up to me and asked me to dance little did I know a week after i met him he would be moving in and we would be married for twenty three years and be the father of my two kids plus one of our own. He was the love of my life. The best father, provider, friend and husband anyone could ask for. To know him was to love him. I will miss him and everything about him.

“ I only knew Dave a short few years in the early 80s when he was married to my mother Vickie. He was only in my life briefly, but left me with memories to last a lifetime. He was surely unforgettable. My prayers go out to those he touched in his life.

As for me, I will never forget my best memory, The Royals Series Win 1987. May you RIP Dave.
