“ *Derick was an amazing young person! Always pleasant to be around. He had creative ideas and explanations for ways of doing things. Always thinking! His life was much too short! He will see his loved ones again. Thoughts and prayers are with all the family.*

“ Seems just yesterday we were kids out fishing or tearing up dirt roads.. so many of my teenage memories were spent (likely somewhere we shouldn't have been) getting into trouble but making memories and having so much fun.. Prayers to the family and I hope you find a comfy hunting spot up in the sky friend.

“ *Your loving soul and heart of gold was so pure. Now I sit here taking a deep breath... crying, sobbing, thinking, and then remembering those times as you rode that little battery operated truck till you fell asleep while driving it and ran into the lilac bush with the little tires still spinning. We all had to laugh cause you never wanted to get off of it.*

Time on this earth is precious. Always cherish the moments.

*God comfort Derick's family during this time of sorrow.
Forever my Love,
