“ I will never forget when we were little all of the great times we had at the Jacobs, We rode horses all the time, "Old Mable" she was Donald's when he was young, "Sandy", etc. WE took our lunch when Donald and Uncle Tom would hook up "Roudy" to the pony cart, then you better hold on because if he even SEEN a combine running or not "Roudy" was going to take OFF like lightning. We loved staying all night their and making CONCOCTIONS out of anything we could get our hands on, I'm surprised we didn't blow up the HOUSE.lol Donald loved country music! I can remember NORTH TO ALASKA, I got my front tooth knocked out in their front yard playing baseball. Oh what great times, Except for loosing a tooth. Donald wanted to pay for it, but dad Red Neely wouldn't dare let him. I could go on and on. RIP you will be missed.

“ I was saddened to learn of Donald's death. We met as classmates our Junior year at Shelby High School. We usually rode Olen Clapp's school bus together. Donald helped me get acquainted as I was a newcomer to the school and community. Thanks Donald!
