“ Jake was a great man. He was so protective of those he loved and I'm so glad that Laura and I were included in that. You'll be very missed Jake. Your sense of humor was the best and you put up with alot of crap from the kids, and I'm not talking about your own but the ones that were always there lol. Love you bunches. Lois

“ Donald and I shared many things through the years of growing up together. Many of the memories of my teen-age years include him. He was a true friend and the world will be a much sadder place without him in it. Rest easy my friend. I will see you again on the other side.
