“ I am saddened by the loss of this dear friend and classmate. In 1942 when my family moved to Marceline, the Riepes were our neighbors and first acquaintence. Don and I, being the same age, went all through grade and high school together. Also our first employment together was at the Uptown Theatre. May God Bless, Comfort and Love this family in this time of loss.

“ Don and I were the same age and went all though school together. I always looked forward to seeing him when I would return to Marceline for reunions. He was a great guy and a friend to everyone. He will be missed.
