“ Ann (I always called you Aunt Doorann-silly right?), you were always such a bright light. I have so many memories of you as I grew up. From you dancing and singing to "Bop with me Baby," to just sitting down at the table to visit with whomever was around with your Coke and cigarette in hand. You always welcomed anyone that came into your life with open arms. Your kids, grand kids, great grand kids (well any family really) were your life. I will cherish every memory of you that I have, including you spending time with my kids. I am sorry I had to miss your funeral, and hope you understand. Love you forever! Rest in Peace lovely lady! I hope you, my grandpa, and Curtis have a good ole time in Heaven! Until we meet again, Sarah, Deme, and kids.
