“ Many years ago when we lived in Brookfield Dorothy babysat our children. Our children are Eileen age 53 and Bob 50. Dorothy was like another grandmother to our kids. In fact she was called Grandma Pamperl by the kids.

Needless to say we are very saddened by her death and our thoughts and prayers go out to all the family. We obviously will be unable to attend the services but we will be thinking of you and in the days to come as you cope with your loss. All of us our better people because of having Dorothy in our life. Thank you for sharing her with us.
