“ So many happy memories of the fun times shared with your Dad. He had such a big heart which he tried to hide behind his gruff ways, but those who were lucky to be called friends knew! We offer you our support and prayers to get you through this difficult time.

“ I always wanted to be the first group of ladies off #1 tee as Eldon was usually in the last group of men and he always had a cold beer (or two!) for me! We shared a lot of stories as we were two fans of George Brett! I will certainly miss him!
