“ As my childhood very best friend, there are too many fond memories of hanging out and all around hijinks! Elvis was always a friend even if we didn't hang out after I moved to Marceline. Hewas still there when I needed parts and vehicle advice and just like we had never lost a beat as friends. My thoughts and prayers go out to Jenny, Cale, and Aron. He truly was a great friend and man and will most assuredly be missed

“ What a significant loss for so many. My prayers go out to Jenny, Cale and Aron as well as all who knew and loved Elvis. He was always so quick to help our family with any vehicle mechanic questions. He blessed several young men with his many years of coaching the Brookfield youth. What a void this leaves in our community.
