“ Prayers and requests for Prayers with and about Eunice and family. My favorite memories of Eunice always include her direct and straight forward talk. Like I'm sure she told St. Michael the Arch Angel she was on the way and her suite opened up AND St. Peter not to hold her up for a long passport reading! Thank You Eunice for loaning your unique ways and gifts to my business and friendship mixed in! May Heaven keep all your family safe till all our times come to ask our own consideration at Heaven's gate!
