“ I take comfort in my sorrow knowing grandma's sweet and ever true soul flew straight to heaven. Surely the angels are rejoicing at the return of their very own. With eternal gratitude, respect, and love--

“ I remember grandma's sweet voice, spirit and sense of humor, and how much it surprised and delighted me even as she approached a century of life. I am honored to have spent time with her, and will consider my own time on earth a success if I carry myself with half as much dignity and grace for anywhere near as many years.
