“ It's hard to share when it's a part of me that is missing. We haven't spoken in so many years. And now I regret, the times missed. My best friend is gone, and part of me is gone with him. I will always love you, and carry you with me as long as long as I live.

“ Garys parents and Billy and Mary leslie were friends so James, his brother Frank and Gary were friends their whole life. They hunted together from a young age with their fathers. We shared many memories over the years. Sorry for your loss. I just visited this site today, too late to see funeral info. Wish we could have been there.
