“ *Just a note to let you know that we are thinking of you all. A time like this always brings back a FLOOD of memories. Dixie and Becky were best "giggling buddies" for SO long. Dixie was talking about some of those memories this morning. Cynthia, Becky, Dixie, and I have been known to "drag Main" on more than one occasion. Jolene was "the little sister", and Tom (Tommy) was the little brother/son our family never had. We know this is a sad time for you. However, it is sad also to watch our parents age and suffer. God bless you all. Love, Hubert & Helen, Dixie & Nancy Wilson*

“ *We could not have asked for a better neighbor. We will never forget our black lab racing across her porch and she would just laugh at us for being so worried. She was such a sweetheart and will truly be missed in our neighborhood.*
