“ *Diana and Greg Sorry to hear about your mom. She was an Amazing Lady. I started working at Stanbury's in 1973 under Jim and Laverne. They have taught me a lot. I was sadden when they moved to Fulton. I was excited when Laverne moved back. One fond memory I have of your mom. When she moved back I went to visit her at her apartment. We visited and drank coffee in China cups and saucers. I felt like royalty and may have stuck out my pinky. Lol. Lots of treasured memories. So my heart and prayers go out to you and your families.*
