“ *His mother and mine were sisters. I am the youngest cousin of that side of the family. It has always been hard for me to call him Leroy, to me he was Butch. Buggy Butch is what I knew him as when we were growing up. Yes, he use to tease me unmercifully. I wish I could hear him do it one more time. May you remember the good times and take solace in the time you had with him. Brad Shimmel*

“ *Leroy and my older brother Donnie grew up as best friends. Leroy and my older sister Beverly were also friends. I remember Leroy spent lots of time at our house. When I was a little girl my brother and Leroy teased me all of the time! Sometimes they would make me cry!! Mildred our mom used to take Leroy and Donnie hunting and fishing (even though they didn't catch much) they always seemed to have fun! They were always doing something together.. BQ's, parties, dragging main, hanging out around Laclede (On Thunder Road!) Ha! Not everyone will know where Thunder road is but Just ask Randy Wade!! Once Leroy and Donnie even had matching yellow cars! There was never a dull moment growing up around these two! Both boys and some of their other friends really enjoyed all of the pancakes mom made for them every weekend too!*

“ *I havent seen Leroy in years. We however grew up together in Laclede. There was a bunch of us who hung out at the park and made our own fun. It was an innocent time and we all respected each other. I'll always remember Leroy as a friendly, happy guy. Still remember the day he got his beautiful blue Chevy Super Sport. He was so proud of that car! My condolences to him family. They are very heart felt, from me and my two sisters, Vicki and Debbie as well.*
