“ Aunt Hazelle will be missed by all! She was always nice and very kind . I remember her sharp mind most of all. She never forgot anyone’s birthday or anniversary. I wish I could have spent more time with her . I know she is in a better place now with Uncle John , and the rest of our family. Love Lori Mann and Family!

“ Aunt Hazelle was the sweetest lady ,when we would visit the farm she always made sure to prepare her famous sweet tea and corn on the cob . Highlight of the evening was a good game of pitch ! You would hear the laughter saying just one more game .... 😊

“ Over the years, we loved to visit uncle John and Hazelle’s farm. When we were kids, we used to ride in the back of their pick up on the country road between the farm and Goldsberry. It seemed like we were flying down the road, but I’m sure she was being very safe with us being in the back, we loved it. Too many cool memories I will cherish. ❤️
