“ *Bob & Sarah,*

Your father was as close to being a member of my family as is possible without being related. He was a wonderful source of strength to my mother after my father's death and he was the brother my father never had. Your parents were such a wonderful blessing to my family in the good times and the difficult ones. The world is a better place because they lived.

I would like to make a contribution to a charity of your father's choice in his memory. Where may I send it??

Thoughts and prayers go out to you.

Fondly,

Mary Seitz
