Prior to serving as tax collector, Hurla worked for 14 yrs., beginning in 1965, for Brookfield R-3, where she was hired as an aide to Walter Dinwiddie, head of the BHS Science Dept. “ Basically, I grew up knowing Hurla Sprague while attending Park Baptist Church and being in school with her kids. Cara was in the same class as I was, C/O 70. I remember her preparing things in the science lab for Mr. Dinwiddie and her help in our learning experiments. At church, she was always keeping records of things and teaching us kids in many different settings. My dad Ralph Williams worked with Hurla and always had good things to say about her and how efficient she was at the Township tax office. Dad was a trustee of the Brookfield Township. I glad to read about her full life and her accomplishments. She was a great lady.

“ I was very saddened to learn of Hurla's passing. She was a faithful servant of the Lord and of Park Baptist Church. I remember her teaching us in VBS and that she always had a wonderful smile and attitude toward everyone. She will be at home with the Lord, but may He comfort all of her family and many friends. Blessings to you all.

“ Years ago when I became collector of Yellow Creek Township, I was trained by the best! Hurla and I became friends then and she took me under her wing and gave me guidance whenever I needed it! Such a sweet, tough, classy lady! I will always have fond memories and treasure the fact that I got to know her!
