“ Jack and I wrestled in the Show Me State Games several years ago - two old guys trying to breath but allowing our kids to "coach" - we saw each other at countless youth events over the years since and I alway found him with a smile and a handshake. He was a truly great guy and a great dad to his boys. Our condolences to the family in this very tough time.

“ Jack personified integrity, class, hard work and respect. He loved his family and was always trying to provide them with as many opportunities as he could. I had the pleasure of knowing Jack through wrestling. He was always someone who loved the competition but also was able to see the big picture and understand that the sport is more about the hard work and the journey as a whole versus the level of success obtained.
