“ So sorry for your loss. Jim was a good man and I am so saddened to hear of his passing. I worked along side with Jim every day for over 10 years all the way until he retired. I gave him the nickname "WHOO-HA" because every time he got really tickled and laughed it sounded like WHOO HA HA HA. I'll miss hearing that laugh in Walmart because I know he'd do it when he'd see me just to let me know he was there. I'm going to miss Jimmy and talking to him about the Royals, Chiefs and Mizzou. He didn't know a stranger and was always nice to everyone. Prayers to the family for comfort and strength during this difficult time.

“ *I'm proud to say I worked with Jim 30 years as a 3 knife trimmer operator in bindery as he was a trimmer operator on days also! We worked together as a team to help each other when problems arise and made our lives just a little bit easier together at work! Jim was a good coworker and person in general! Loved his wife and sons very much was a good father! Just want to say life is not only how you live it , but the people you come in contact with makes life a little bit easier if we help one another in life's journey! Proud to say we helped each other in our journey in life! Jim helped me! ❤️ Sorry for your loss as a family, thank you for giving Jim some time in my life!*

*🙏 God bless Jim and his family and ones that he touched in life! 😊*

*🙏❤️ Until we meet again brother! 😭*
