“ I had the amazing opportunity of caring for this amazing man at the facility I work for. He was such an awesome person. He always had a smile on his face. It was the bright spot of my day to be able to go in and see him, have a talk, and a good laugh. He loves his chocolate milkshakes and looked forward to Kathy bringing them to him almost everyday. He was my favorite human. I am going to miss him and his smile so very much. It's difficult to walk by his room and him not sitting up on the side of the bed, flashing me a giant smile. I'll miss our talks, our walks, and his onryness the most. Rest easy my bestest friend, love you and miss you with all my soul. Enjoy all of the milkshakes you can drink my friend. I love you too Kathy.
