“ Jane was the sweetest lady you’d ever want to meet. She made several little outings with me at life care but the one she liked the best was when we would go to Booneville and meet her granddaughter and play games. She will certainly be missed by all that knew her.

“ I have to admit, Jane was my favorite person. I can hear her telling me that I spoiled her. I told her I just wanted to be there to help. I will truly miss her!
