We are trusting and praying that God's grace be with you during this time.

“ Jerry was a special friend, we grew up across the street from each other! I used to go over every Saturday morning to watch cartoons because we didn't have a TV at the time! I also remember he got a stick shift car and he knew the gears but couldn't get the hang of the clutch, so I did the clutching when needed and he handled the gears!! Took two to drive one car, but we had fun!! Will always remember special memories of my neighbors! My condolences to all the families!!

“ Gary remembers when at 6 yrs old, Jerry asked his Mom for a candy bar in Krogers. She told him NO. When they got outside he pulled a candy bar out of his pocket & said " See " His Mom marched him back in the store to give it back. Gary will miss his calls to his Brother. 😭
