“ So sorry to hear of your loss. We have many fond memories of your parents. They were great fun. One Sunday we all went to Clydene % Waynes with all our sleds. We spent the whole day sledding. I think Jerry spent most of her time buttoning coats and putting gloves back on the children. She always loved the children. Our thoughts and prayers are with you. John and Lonie

“ All of my memories of my Aunt Jerry and Uncle Zane bring a smile to my face. They had such an awareness of the importance of young people. Their kindness to me and my family will always be appreciated. One memory that comes to mind is Jerry's love of fresh Colorado peaches from the western slope. She would share them with us every chance she had. Jerry was one of the kindest people I have ever known.

“ Jerry was a super lady. You could always depend on her for anything. She would always listen to you. She was a big part of my growing up years. I am very sorry I didn't find out in time to make the funeral. Jerry was the best. She will be missed.
