“ John was my Best friend. We used to walk around town for not just the exercise, but he'd tell places he used to live and tell about Brookfield. We talked about The Lord alot. He'd always be happy after our talks and most the time we'd come back and watch Pat Robertson and FOX news with Laura Ingram, he was in-love with Laura. We would always spend the Holidays together as a family. I miss him everyday. R.I.P. John. You will remain forever in my Heart always in My Soul... Fly High My Friend. ❤️🙏

“ This is John Hall out in Ojai, California. Just heard about your brother John’s passing. So sorry to hear and my condolences go out to his family and friends, especially his brother Doug who I grew up with in Brookfield. Our childhood was a lot like the movie “Stand By Me” lots of good memories and Brookfield was a lot like Mayberry of the tv show Andy Griffin. Lots of great memories from the Dixon home on Brookfield Avenue especially during the holidays and Christmas, again sorry for your loss, Doug call or text me at 805-507-6227 🙏

“ Remembering all of the years growing up with John and Doug! Spent lots of play time outside, raking leaves so that we could have hotdogs over the bonfire, riding bikes, and ball games in the street up on Brookfield Avenue. Trick or Treating was always a great time too! How lucky we were to live there and have the freedom we had. Wish all children now could have the same childhood. Condolences to John's family and Doug. Would love to have been with you on Saturday, but live way down in Henry County which is a good long drive. Please know that Brenda and I will be thinking of you. Carolyn Deem Harris
