“ "Cousin" Helen & loved ones of John Schreiner, Our deepest sympathies to all of you. John, Helen & Gene visited us in MD for my Mom's (Bette Marshall) 70th birthday. They stayed with my husband & I until the surprise party was held. Such wonderful memories from their visit. John sent newsy letters for years and years, chock full of all the things he and his kids, grandkids were doing. He was so very proud of his family. Our heartfelt sympathies on your loss. “ Teresa, Jerry, Donnie, Alice Ann and family. So sorry to hear that Uncle John had passed away. We know that he is not suffering now. Just remember all the good times we had at the dinners on Sunday, especially when Aunt Annie had made her delicious gloried rice. To this day, I have not found a recipe that matches hers. God Bless all of you. Ruthann
