“ I've known Joyce for as long as I can remember. She was a friend and yes she didn't care what anyone thought. She always said what she thought and didn't care who it offended. I have a lot of great memories with Joyce. Condolences to all her family. She will be greatly missed. Gone way too soon.

“ I was so sad to hear about Joyce passing away... We were buddies in school & had many great times together getting into a little mischief. Joyce had such a great sense of humor and always said what was on her mind even if it did shock other people at times! We had messaged each other about a month ago and planned to get together for lunch soon. You will be missed by all that knew you. I pray your next life is a good one... Janell
