“ Judy and I have been friends forever just went out own different ways these last years. She was a very good friend to me her son and my daughters was close and still are, they where family in our eyes and heart. We never did know alot about Judy's past, I always wondered how a family could turn their back on there own, so I always had a open place in my heart for Judy and Shawn. We had alot of fun times all of us, things we will never forget. Ever, I can remember the first time her and Shawn came over to my house, and all in-between. Just want to say God bless u Judy, we love u and we will miss you as much. We will meet again in a higher place I know we will. all of us will never forget you, rest in peace my dear friend.
