“ Julieann Kay. Words can't express how much I miss you and love you and how this grieving and mourning is almost more than I can bear. But thanks to you and my family you have made me a stronger woman. I hope you're with your mom and making up for lost time. I mourn for you and your family and grandbabies and over our family: Me, you, Aradia, Sissy-LaLa, Juliette, and Hyde(your knucklehead.) I hope closure comes to everyone who loved you. You were a great person and everyone who met you instantly fell in love with you. Everytime I see a butterfly I WILL know that it is you checking on me. R.I.P. Baby girl I love and miss you so much. 2/7/1972-6/15/2016
