CS

“ *When I was a little girl age 3 or 4 Larry worked in the grocery on Main St in Brookfield.*

We were both big Elvis Presley fans. Every Saturday I was always excited to go shopping with my mom. I knew Larry would be there waiting to tease me about Elvis and to give me a picture of Elvis that he had saved for me that week. A memory of a friendship I will cherish forever... As the years went by every time I seen Larry someplace we still talked about Elvis <3
