“ My parents have been married 47 years this year and I got engaged on their anniversary and it put my dad in tears of joy he was so happy to meet Lesie and already called her his daughter in law. Getting married Nov. 14th this year. It hurts that he won't be there in person but will be with us in spirit. Dad we love you

“ I will miss Larry. He is a cousin in law because of marrying Anna. We talked quite a bit on Facebook and I will miss this. He told some great stories of family and the love he had for Anna and his kids showed very much in our conversations. May God wrap his arms around you all and give you peace and comfort.
