“ I am so sorry to hear this. Tommy and many of the boys in my son's age group spent a lot of time running through my house in Cunningham. They will always be young in my memories.

So sorry for your loss. My favorite memory of Tom is He stayed with my first husband and I many years ago but we had four wheelers and he always left the key in them I told him one day , someone is going to steal it. He said Na. So next day I seen four wheeler at Twin parks key in it so I jumped on it took it and hid it. When he finally told me what happened I said see told ya. After I came clean I thought he was gonna strangle me but he never left key in it again. Becky and family your in my thoughts and prayers!
