“Lori was an amazing lady. She worked for Marriott for 38 years, I was lucky to work with her for a few of those years. It's been a while since I've seen her, but the kind and loving person that she was will always be in my memory. -Theona Simbrat

Without a doubt one of the kindest people I have ever met in my 71 years on Earth. Although I didn't know her as long as most of the people in her life I will miss her always.
