“ Terry & Karin, our heartfelt thoughts and prayers are with you and all of your Riepe family at this sad time. What a trooper she was. I'll never forget the summer Lucile and Don came to Indianola with you for a week of ballooning. Not sure she knew what a crazy week it would be with the wild-n-crazy young school girls she had to listen to all week. haha Great memories that we bring up every now and then that make us smile. “ Scott, Terry and Tod,

We heard on the radio about your Mom and were so surprised and saddened. We won't be able to make it to the visitation because our kids from CT are coming in tomorrow and will be here about three days. So sorry. It doesn't seem so long ago that the four of us were in Washington spending time in Uncle Sam's service.

We will pray for you all as you go through this again.
