“ Even though I can't make it to the visitation and funeral, my thoughts and prayers are with all of you in this time of sorrow. I will always remember Marcie as a really nice person with a kind heart. We were closer when we were in high school than now, but always considered her one of my friends. I did get to visit with her a minute when I was in McLarney Manor visiting my brother on April 2. We also enjoyed visiting while preparing for the play for the Sesquicentennial.

“ Dear family,
I am so sorry for the sudden loss of your Dear Wife and Mom. She was a beautiful jewel of Christ's love. She reflected his love in all she did. She was such a good friend to me and kind support to me when I first came to Brookfield. She lived her love daily for her children. She was creative and funny with a warm smile for everyone. She helped me to feel welcome in the community. She gave me and helped me execute many ideas for Elementary and K.I.M. musical performances. I just wanted you to know how much she meant to me. You will all be in my prayers. I am sorry I could not be there with you today. God Bless you.
Much love, Rita (Geno) Woolery, Kendal and Caleb
