I worked with Mona for several years. What a joy it was to work with. Always happy and telling jokes. I will miss my Christmas in July cards. Rest in peace my friend.

“ My condolences to Mona's family. A yellow candle for the sunshine this special little lady brought to everybody. She always worked so hard, brighten the world with smiles, kindness, jokes, laughter, and little gifts she made. Mona had the biggest loving heart and especially when it came to her kitty cats. Mona will be missed dearly.
Rest In Peace Sweet Lady.
