“ *Amy, I was saddened to hear about your mom. I can remember your mom carrying you out of the house to put you in my mom's station wagon when you hurt your leg as if it were yesterday. The nights we spent all night at your house bring back the beautiful smile she always had on her face. I am sorry we were not able to return for the services but you and your family are in my thoughts and prayers. With Heartfelt Sympathy, Stacie, JD and Allison Wild*
