“ Donald & Family,My thoughts and prayers are with you and your family at this time of great loss. I grew up with Donald as a dear friend to my parents and brother out on my parent's farm. I didn't get to know Nancy as well as my parent's as the year's passed by due to distance, but do know what a great person she was... wife, mother, friend, hard-working, and dedicated to her family. My condolences to you, Donald, and to your family. Thinking of you and sending you warm wishes and love. Carol
