“ Aunt Nancy was always a good person. She was helpful and fun loving and I liked her a lot and will miss her. She stayed at the hospital and helped my Mom watch after me when I had the car wreck when I was 16 in July, 1966. She stayed overnight so Mom could get some rest because I was in a coma for several weeks. She was always helpful and would do anything that she could to make your life better. God Bless you Aunt Nancy.
